

# **Delmor Tenants Application & Guidelines**

### **Applications**

If you wish to apply for the property you have viewed you must complete this form and return it to the office together with the information as detailed in the **Scottish Referencing Requirements** document our agent has provided you with. If you chose to use Let Alliance to satisfy the requirements please return this form together with your deposit.

We cannot hold a property for you until we receive these forms and the security deposit for the property. As soon as you do this the property will be taken off the market. No other potential tenant will view the property or be able to 'queue jump'.

### **Deposits**

Deposits are normally equal to one month rent. Deposits are held as security against the following types of things:

- damage you, as a tenant, may do to the property
- cleaning bills if you have left the property in poor condition
- unpaid rent

Deposits are returnable at the end of the tenancy providing the property is in the condition in which it was originally let, with the exception of fair wear and tear.

Under new legislation, deposit will be transferred to Safe Deposit Scotland. Safe Deposits Scotland is an independent tenancy deposit protection scheme approved by the Scotlish Government. Safe Deposits Scotland is a not-for-profit company limited by guarantee

#### Insurance

It is a **condition of the tenancy agreement that tenants are adequately insured** against accidental damage to the landlord's possessions. We understand that moving house is a busy time for tenants. If you are having difficulty finding affordable insurance in time for your lease signing appointment, don't worry, Delmor can assist you. Please ask for further details

### **Council Tax and Utilities**

Tenants are responsible for paying Council Tax, electric and gas for the property. Delmor will contact these organisations on your behalf to notify them of the date the tenancy starts, your details and provide meter readings. Most companies wait at least 3 months before sending the first bill and this is normally estimated. We recommend you contact them as soon as you get your keys to ensure you do not receive high estimated bill.

#### Rent

Rent is payable on the day you sign your lease. The payment can be made by cash or debit card (subject to a £1 transaction fee). Delmor will prepare a Standing Order Mandate for future payments. Please provide your bank details overleaf so that the mandate can be prepared in time for the lease signing.

# **Lease Signing Appointment**

You must attend our office together with any guarantors (if applicable) at the agreed date and time. Please allow at least 30 minutes for this appointments. You will be required to pay your first month's rent which can be paid by debit card (subject to a £1 transaction fee) or in cash.

You will be required to provide proof of your current address and photographic ID. Delmor can provide details on what forms of ID are acceptable.
